Procedure for storage of boats at Changi Sailing Club

Dear Members

Members are reminded of the following procedure for the storage of boats at Changi Sailing Club.

- 1) Prior to proceeding to MPA to license / transfer ownership, please complete an application form with Changi Sailing Club and sign the storage / mooring agreement.
- 2) Upon receipt of the signed storage / mooring agreement, a letter stating that the boat is kept at Changi Sailing Club will be issued to MPA.

This procedure is necessary as many owners neglect to return the agreement after the letter is issued to MPA.

Yours sincerely

Edwin Low
General Manager
