## Eunice Goh

Eunice loves sailing.. She and her husband started in the Club J24s when their kids were in Optimist dinghies at Changi Sailing Club. A year later they bought a Maxi 77 "Mitch" and had some great adventures on her. Now they are the proud owners of Anjo's Jest which is competing in this year's Ambassador's Cup.

Also dear to her heart is eating!! Much of this comes from having spent five years in Arizona when she grew to love, baby back ribs, Cajun chicken and barbecue ribs. This was when she decided that she would open a restaurant when she came back to Singapore and serve the "best baby back ribs".

North Border Bar and Grill has been a huge success from the moment it opened. Eunice and her partner have created a simply wonderful rustic restaurant in magnificent natural surroundings at Rochester Park. One of CSC's members created the special surroundings that you will want to return to time and again.

You will find them on [www.northborder.com.sg](http://www.northborder.com.sg) - every evening there is a special treat in store; Margaritas are only \$8 per glass every Monday, all night long, and on Sunday it is Happy Hour all day. Christopher Tan is the Manager and he will look after all of your requirements: special celebrations, corporate events (Mercedes Benz, INSEAD and Pfizer are regular corporate customers) and weddings.

Last month Eunice opened in the Venetian Hotel, Macau and in March 2009 there will be yet another North Border restaurant in the Shangrila Hotel, Macau. Eunice travels there twice a month, "helps out" in Rochester Park, looks after her two children, 13 and 11, and still has time to sail!!

North Border Bar and Grill are sponsoring the Sailability Dinner on 20 October and providing canapés and drinks for the launch of the new Sailability Changi programme by Mrs. S R Nathan. We will be drinking Margaritas from North Border on Sunday afternoon at the Ambassador's Cup when the boats are on their moorings and the sun is low in the sky and we're recounting tales of the race around Pulau Ubin.

Thank you Eunice for having such a big heart, from all at Changi Sailing Club.
