Clipper Race 07/08
(Completed Leg 1 – Liverpool to La Rochelle to Salvador)

Member of Changi Sailing Club and freelance tour guide, Jeanne Liu loves to travel but had to dig deep inside herself for strength in the early part of the race.

The bitter cold and choppy waters of the Irish Sea wreaked havoc on slightly built Jeanne barely hours into the trip, and the rest of four day hop into La Rochelle was a trial for her.

Before taking part in the Clipper Race Jeanne had read stories of previous races and had thought, “how cool is that”. When asked about the most memorable part of the race Jeanne said, “The most memorable was not being able to shower for four days! But it was great to have sailed across the Atlantic, sailing alongside dolphins and whales and experiencing the camaraderie on the boat”.
