

INTRODUCING President of The Ambassador's Cup

Ambassador Jose Arturo Montoya Stuva is a seasoned career diplomat cum lawyer. He was accredited to Singapore as Ambassador in November 2004 after his stint as Director for Drugs Control in Peru. Prior to that he was Ambassador to Switzerland and has held many other posts at the Peruvian Foreign Ministry as well as various international posts (United Nations, Italy, Honduras, Japan, Colombia, New York and Mexico).

The Ambassador and his wife, Tula, are avid sailors. Their 13 year old twins, Tulita and Arturito, also form part of their sailing team. In 2005 they had their yacht, "Las Tulas" sent all the way from Lima so that they could explore the waters surrounding Singapore. "Las Tulas" is 27ft long and was built in Peru.

"Las Tulas" will compete for the first time in this year's Ambassador's Cup Regatta. We hope that "Las Tulas" can take the crown back with her to Peru. This would be a feather in her cap.

Changi Sailing Club is delighted that Ambassador Montoya has again agreed to be President of the Ambassador's Cup. The last time was in 2005.
